

6. How to Prosper in Hard Times

Prospering in hard time continues

As The Lord has had many of us in lock down (He calls it lock in) He was wanting to use this time to teach us to press in like never before. He has plans for you, as in Jeremiah 29:11 message bible says;

I know what I'm doing,

I have it all planned out –

Plans to take care of you, not abandon you.

Plans to give you the future you hope for,

(Note: the condition)

When you call on Me,

When you come and prayer to Me, I'll listen.

When you come looking for Me, you'll find Me.

Yes, when you get serious about finding Me and want it more than anything else,

I will make sure you won't be disappointed by God's Decree

I learned to read this word out loud daily when I was unsure of what our direction should be and as I read it out it would get into my spirit and I would meditate on it and I would wait on Him until I knew what step to take next.

I have learned to wait and not be impatient until I know He has given me an unction from The Holy Spirit.

1 John 2:20 (kjv) says , but you have an unction from the Holy One and ye know all things.

Our experience just a few days ago

We travelled to the city to check out a car as our old one was in need, and it was too costly for work to be done on it.

We rose early and headed on our 3 hour trip, wanting to arrive there by 10 am to have enough time to make the right decision.

The outcome was at about 4.30 pm we were told about a car that had just arrived from the North Island and had right then pulled into the yard

We decided to check it out before taking a break for the day and as we walked towards it we had an unction from The Holy spirit that this was it.

He wants to direct our lives right down to every detail, not just in the big things. He wants to be Lord over all.

As His word says in Jeremiah ... I know what I'm doing and I have it all planned out.

He had our day planned out right down to the very detail.

He had laid on our heart that the car should be a Ford Kuga.

Before we left home we checked out what Kuga meant

And what a meaningit said a gift of God

How incredible.
