The remnant of God is rising.

These are people that will not compromise to please people or their family.

One of the big areas is in our family where sexual compromise is now according to the world.

Where do we stand with this?

Have we compromised and accept this in our family or have you taken the risk and stood against this behavior?

The true remnant stands only on what The Word of God says and will not settle for our family standard.

Matthew 10: 34-38 message bible

"Do you think I came to make life cozy. I've come to cut-make a sharp cut through these cozy domestic arrangements and free you for God.

Well-meaning family members can be your worst enemies.

If you prefer father or mother over me, you don't deserve me. If you prefer son or daughter over me, you don't deserve me.

Here we see The Lord wants to break us free from the control our family can have over us and cause us to compromise His word to please our children.

We are the parents that are to set God's standard in our homes.

The Lord made it clear to us to not permit our family to impose their standard on us.

We need the blessing and anointing of God in our homes and this will block His blessing.

The Lord is wanting to promote His people but that only comes from being uncompromised in what His word says and His ways.

I have a family member moved in with their son that lives in adultery and their lives have run into all kinds of issues as they compromised God's word and they have lost the blessing of God.

Some have told me I am so black and white.

I'm ok with that as I need the anointing and blessing to do what I'm called to do.

Are you prepared to pay the price to be one of The Remnant that The Lord is raising up?

The price is very high but it is worth it.

The Lord wants to be glorified
