Testimony from Uganda

Ap Daniel Mugume Uganda (face book)

Praise God so much servants of God hope you are doing well in Jesus' name

Today I come with good news and testimony.

I remember it was early last month when I requested your prayers for my parents who we effected by covid 19 and to pray for entire Uganda. On Anna Ministries International, but I thank God my parents are getting better.

Please continue to prayer for Uganda as the situation is not good in Uganda.
