

## 11. How to Prosper in Hard Times

Prospering in hard times continuing...

Proverbs 10:22 (<https://classic.biblegateway.com/passage/?search=proverbs+10%3A22&version=AMP>)

“The blessing of The Lord brings true riches and He adds no sorrow to to it”. Neither does toiling increase it

Some of us have the idea we must work long hours to have enough but it’s the blessing of God that makes us rich. Spending time with The Lord is the master key

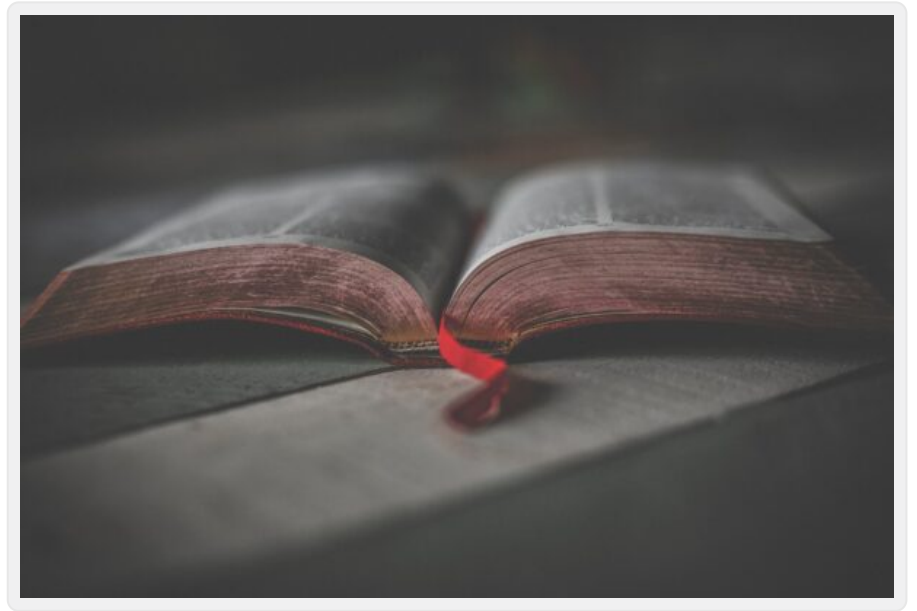

He wants to release His anointing on you and show you wisdom and keys that will bless more than working long hours without rest

Rest is God’s answer to our health and well being and it allows us time to spend with The One that loves us the most Psalms 37:4

Delight yourself in The Lord and He will give you the desires of your heart.

Many times as I've waited on The Lord He has given me ideas on how to do something & in some case it has been the most impossible situations and suddenly I'd know that answer.

God's word is our hand book to life & just as your car needs a hand book ( manual) to understand it's workings we much more need a hand book ... the bible , to walk out all The Lord has for us.

Another vital key is , to find a good bible teacher that knows the word of God and learn all you can from them

We have spent years with our mentors ( bible teachers) to learn the word and how it works

Decree it, speak it out loud until it becomes a way of life

As you speak it out , it get down into your heart,it plants it's self on your heart and you'll find you'll have greater faith

You may say, I just don't have time etc. I have to start work at 7 am .You'll need to get up sooner and fill your life with The Word.

You're to be a light to the world.

We have built our lives this way for many years.

God's word is alive and active and will create your future when you learn how to work it
