

5. How to Prosper in Hard Times

Prospering in hard times.

Many of God's people can except salvation but not teaching on finance, WHY?

Some believe we are being materialistic

Or they have been taught that being poor is Godly

They have seen some more wealthy people that are corrupt

Some have been raised in such poverty they have got strong poverty mind sets, handed down to them, and in some cases have resentment towards those that are wealthy.

Where does The Word of God come into it

Proverbs 10:22 amp

The blessing of The Lord makes truly rich and adds no sorrow to it, neither does toiling increase it.
Deuteronomy 28

Here in Deuteronomy we see that obedience brings blessing, so why are so many of God's people in lack ?

If we look at Isaac in Genesis 26: 6-

The Lord told Isaac to stay in the land and that He would bless him where he was in spite of the famine

Isaiah 1:19

If you're willing and obedient, you shall eat the fruit of the land.

It has nothing to do with where you live.

You may live in some third world country and because everyone around you is poor then that's how it is. NOT SO.

The Word of God does not say that.

Let's go back to the story of Isaac in Genesis.

There was a very bad famine.

Isaac experienced great wealth as he obeyed The Word of God. Stay with us on this subject and if you allow The Lord to check you mindsets and poverty thinking, He can increase you also.

The biggest need in God's people is to have enough money to do what they are called to do.

As you study this, you'll see that The Lord wants you to have more than enough, so that those around you can see that you're blessed and they will want to know The God of the blessing.
